NYLN knows that it is difficult for young people to be able to attend conferences, especially when it involves out-of-town travel. But it's important to NYLN that young people are able to attend. So we reserved some money to help pay your expenses (travel, lodging, etc.). Keep in mind, however, that our funds are limited and we want to bring as many people as possible. Some other ideas for financial support may be through CILs (Centers for Independent Living), public service organizations (such as Kiwanis), and church communities. We suggest that you try all of these kinds of resources to collect the amount you need.

PLEASE NOTE: THIS FINANCIAL SUPPORT FORM IS DUE TO THE FOLLOWING ADDRESS NO LATER THAN **MAY 31, 2010**:
